June 2016

Dear University Laboratory School Families,

Welcome to the 2016-2017 school year at the University Laboratory School (ULS)!

The ULS Booster Club is a crucial partner for the school. We provide fun school community events such as Fun Run and Homecoming. We ask for your kokua to help organize, participate, and volunteer at these special events.

As a non-profit organization, the ULS Booster Club raises funds to support and enhance your child's learning experience at the University Laboratory School. Our annual goal is to raise approximately \$50,000 which will be used to directly support requests made by the school.

In the past, we have purchased athletic vans, musical instruments, teaching and classroom supplies and campus beautification materials. We have supported travel and leadership activities for school clubs and teams. All ULS Booster Club `Ohana fundraising efforts will truly enrich our children's educational experience.

The Booster Club keeps families informed through our membership email list. We are continuously looking at ways to better serve our school.

Please join us in supporting our school by becoming **a member of the ULS Booster Club**. Annual membership dues are \$25.00 per household. Please fill out the membership form on the back of this letter and return it with your payment to the school office by July 15, 2016.

Together we will strive to enhance our school's environment for our children. Thank you for your continued support. We look forward to working with you to make this yet another exceptional school year at ULS!

Sincerely,

ULS Booster Club Board 2016-2017
