January 26, 2017

Dear Parents, Alumni and Community Supporters,

University Laboratory School (ULS) is a unique and special organization. Our charter school serves two interlocking missions: to design and deliver the best possible education to our students, and to be a leader in educational research and development. In order to achieve our mission and vision, we need financial support from the community.

On **March 4, 2017**, we will host our annual **Pā'ina & Cultural Festival**, including a celebration of Pacific Rim cultures, musical performance by Maunalua, and a showcase of ULS student groups.

Our festival is also a significant fundraiser for the University Laboratory School Foundation, a 501(c)(3) public charity. ULS needs corporate sponsors like you to make the event a success. Your support will show others how much you care about improving the quality of education for students and developing curriculum to prepare all students for higher education and better lives.

Please show your support by donating to the Pā'ina and Cultural Festival. You can show your care by giving at the following levels:

PLATINUM - \$5,000
GOLD- \$2,500
SILVER- \$1,000
BRONZE - \$500

Platinum, Gold, Silver, and Bronze level sponsors will be acknowledged in printed materials before and during the event. All levels of sponsors will receive recognition at the event and on the ULS website, and signage at the event. Gold and Platinum Sponsors will receive reserved seating and meals at the Pā'ina Festival and a special gift. An acknowledgement letter will be provided for every gift made. Donations received may be tax deductible. You should consult with your tax advisor accordingly.

If you would like to know more about our sponsorship opportunities, please contact a volunteer at info@universitylaboratoryschool.org.

We appreciate your generosity and support of the University Laboratory School.

Sincerely,

A. Keoni Jeremiah '89
Principal, ULS

Neil Rose '98
