Dear ULS Families,

Now that the school year is done, I'd like to give you a quick update on the Booster Club's activities and accomplishments this year. Thanks to your support we had a great year filled with successful and fun events like the Cookie Sale, Homecoming, Fun Run and the Pa'ina. Every year we strive to grow and improve each event to make it better for your kids. We held our two general membership meetings, one in the Fall and one in the Spring. We are still trying to increase attendance and appreciate it very much when you attend. Because of our fundraising success this year, we were able to help support the boys and girls basketball teams and the Speech & Debate team with their travels, as well as make several important purchases for the school. We also supported worthy efforts like campus beautification and much more. Your hard work has really paid off!

I have truly enjoyed being a member of the Booster Club Board and your president for the past two school years. Our By Laws dictate that a member can't hold an office for more than two consecutive years, so we will have a new president next year. I was glad to be able to contribute to the school, but will remain on the board and continue to help out in other ways. We are grateful to have 3 newly elected board members for next year. I'm excited to work closely with them. I think they will be great additions to the Board. Maybe you'd like to consider joining as a board member next time!

We hope you will become a member of the Booster Club in the next school year. A form is included.

Last year was the first time we had a Summer Box Top Contest and it went so well, we will be doing it again this year. So please save your box tops for us. See the enclosed information.

If you have any questions about the opportunity to become more involved at ULS, please email me at ulsboosterclub1776@gmail.com. I look forward to seeing you in the next school year.

Sincerely,

Tracy Ng
President, ULS Booster Club
