

January 2018

Dear Parents, Alumni and Community Supporters,

University Laboratory School (ULS) is a unique and special organization. Our charter school serves two interlocking missions: to deliver the best possible education to our students, and to be a leader in educational research and development. In order to achieve our mission and vision, we need financial support from the community.

On **March 3, 2018**, we will host our **Pā'ina & Cultural Festival**, including a celebration of Aloha, 'ono local favorites, musical performances by local artists and a showcase of ULS student groups. This event also features both a **Country Store**, selling homemade food items, crafts, fresh local produce, and plants, as well as a **Silent Auction**, featuring artwork from our school and items generously donated from our community.

Our annual festival is a significant fundraiser for the ULS Foundation, a 501(c)(3) public charity that supports the ULS.

**Please consider making a donation to the Silent Auction and Country Store to help us raise funds for the school.** Your donations support our ongoing school programs, including assisting with technology purchases, musical instruments, equipment and supplies, transportation, and textbooks, as well as improving our campus and classrooms.

Donations with a fair market value over \$500 will be eligible for Sponsor recognition at the event. If you would like to know more about other sponsorship opportunities, please contact Lani Kaaa, Executive Director of the ULS Foundation, at [lani@ulsfoundation.org](mailto:lani@ulsfoundation.org) or call (808) 646-1232. An acknowledgement letter will be provided for every gift made. Please consult with your tax advisor as donations may be deductible.

If you have items to donate to the Country Store or Silent Auction, please complete the attached Donation Form or an [online form](#) at the [Pā'ina and Cultural Festival webpage](#).
